NOTES TO A CORRECT READING OF THIS PRICELIST
NOTE PER UNA CORRETTA LETTURA DI QUESTO LISTINO

This year's pricelist has been slightly modified in respect to last year's.

Il listino di quest'anno è leggermente diverso da quello dell'anno scorso.

Here are a few explanations to make the use of this document easier. These notes are IN ADDITION to those printed in the pricelist and DO NOT REPLACE them.

Qui di seguito troverete alcune spiegazioni per renderne più semplice la lettura. Queste note sono IN AGGIUNTA a quanto pubblicato sul listino e NON IN SOSTITUZIONE.

1. In the **DESCRIPTION** column, the finish is mentioned only when the article has only one standard finish.

1. Nella **colonna della DESCRIZIONE**, la finitura è indicata solo quando la finitura standard dell'articolo è una sola.

Code	Description	Finish	€	€
COLLECTION - 075 (pag.326 - 327)				
075/5	ANTIQUE BRASS FINISH CHANDELIER 5xMAX42W E14	008	505,00	587,50
075/6	ANTIQUE BRASS FINISH CHANDELIER 6xMAX42W E14	008	590,00	672,50
COLLECTION - 090 (pag.114 - 119)

Standard finish of this collection is only Antique Brass (008)
La finitura standard di questa collezione è solo Satinato (008)

Standard finish of this collection, instead, is either French Gold (002) or Antique Brass (008). In this case, no finish is mentioned in the description column and the price of each finish can be found in the price columns next to each finish code.

Le finiture standard di questa collezione sono Oro Francese (002) oppure Satinato (008). In questo caso, quindi, nella colonna della descrizione non è indicata nessuna finitura e accanto ad ogni codice finitura viene indicato il proprio prezzo

2. When more than one finish is available, all finishes are listed in ascending order (i.e. from 001 to 999).

2. Quando l'articolo è disponibile in più di una finitura, le finiture sono indicate in ordine crescente (dalla 001 alla 999).

3. **UNASSEMBLED / ASSEMBLED.**

In addition
to what

mentioned on page 3 of this
pricelist, please note the
following:

a. **WALL LAMPS.**

All WALL LAMPS are packed
assembled, i.e. with the arms
assembled to the body of the
wall lamp. Should different
prices be mentioned in the
unassembled / assembled
columns, the difference is in the
electric wiring.

In the **ASSEMBLED** item, the
bulb holder is already wired to
the arm.

In the **UNASSEMBLED** item, the
bulb holder should be wired to
the arm of the wall lamp.

b. **CHANDELIERS.**

Except for **Grand Hotel
collections** (series 1898 / 1998
/ 1999), that are **always**
packed **assembled**, all **big
chandeliers (min. diameter of
1.20 m) are always
unassembled**: i.e. the arms
and central column are packed
separately and when
assembling them they should
also be wired. In this case, only
the arms must be wired to the
central column.

3. **SMONTATO / MONTATO.**

In
aggiunta a

quanto indicato a pag. 3 di questo
listino, vi preghiamo di notare
quanto segue:

a. **APPLIQUE.**

Tutte le APPLIQUE sono
imballate **montate**, cioè con i
bracci assemblati al corpo della
lampada. In caso di differenza
di prezzo tra articolo montato e
smontato, questa è dovuta alla
elettrificazione.

Nel prodotto **MONTATO** il
collegamento elettrico tra
portalampada e braccio è già
pronto.

Nel prodotto **SMONTATO**
invece i fili elettrici del
portalampada devono essere
collegati a quelli del braccio.

b. **LAMPADARI.**

Tranne che per le **collezioni
Grand Hotel** (serie 1898 /
1998 / 1999), che sono **sempre
montate**, tutti i **lampadari di
grandi dimensioni (diametro
min. di 1.20 m) sono sempre
smontati**: cioè la colonna
centrale è imballata
separatamente rispetto ai
bracci e quando vengono
montati, i bracci devono anche
essere elettrificati – cioè va
fatto il collegamento elettrico
tra bracci e colonna centrale.
